

Can a relentlessly cheery Mouse wear down a party-pooing Bear? The unlikely pair are back in a droll, utterly charming tale that early readers will celebrate. Bear does not like birthdays. He doesn't like parties or balloons, cards or candles. In fact, Bear does not like anything to do with birthdays at all. The author and illustrator who created the best-selling picture book A VISITOR FOR BEAR return with another comedy about the curmudgeonly Bear and his eager friend Mouse, this time in an early-reader format.
