

Excerpt from Archaeologia, or Miscellaneous Tracts Relating to Antiquity, Vol. 38 Lord Coningsby was of ancient English descent though resident in Ireland. He was the great-grandson of Sir Thomas Coningsby who was knighted by the Earl of Leicester at the siege of Rouen in 1591. Joining in the Revolution upon James the Second's abdication, he distinguished himself in the battles of the Boyne and of Aughrim, and in reward for his services was created an Irish baron by King William, in addition to which he was made joint Paymaster of the Forces in Ireland, one of its Lords Justices, and a Privy Councillor in England. He held office also during a great part of the reign of Queen Anne. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
