Opposites attract, and likes repel. When it comes to magnetism, this principle is axiomatic. But does it also hold true for romantic relationships? New research. That old concept and expression opposites attract has been batted around for centuries. And in fact, it's very true when it comes to love relationships. Through. Everyone seems to agree that opposites attract. Young and old people, happy and distressed couples, single folks and married partners – all. She drives a Lexus, he rides a Harley; she's a sports nut, he's a bookworm; he's a Republican, she's a Democrat. Do opposites really attract?.

Have you ever wondered why opposites attract? When it comes to relationships, finding the ideal partner could be easy for some and difficult. Opposites Attract Lyrics: Baby, seems we never ever agree / You like the movies and I like T.V / I take things serious and you take 'em light / I go to bed early and. Opposites attract has become one of those old-fashioned sayings. But regardless, generation after generation remains intrigued with the idea. The theory that opposites attract is a myth, scientists have found, after discovering that people are only attracted to those who hold the same. Opposites attract definition is - “used to say that people who are very different from each other are often attracted to each other.
