

Sven Svensson still has a lot to learn as the new human mate to an alpha werewolf. Even if their love lasts through Zanes attempts to dominate and discipline his mate over and over again, will their relationship survive a visit from Zanes equally dominant and demanding werewolf brother, Kane? Excerpt: Zanes large hands caressed the inside of Svens thighs, making the man sigh in bliss. The werewolfs eyes ran over each angular dip of the body beneath his before fixating on his mates eyes. Whose are you? Sven knew what his mate wanted to hear, but part of him was still miffed about this morning and wanted to push Zanes buttons. So he closed his eyes and let out a soft moan, refusing to give Zane an answer. ... Sven panted harshly as he waited to see what Zane would do. It was always so delicious to toy with him this way, thought Zane as he watched Svens thighs tremble. He waited until he was sure his mate was ready to explode before he reached down and fisted his hand around Svens hard flesh. Ah! Sven jerked back in shock, straight into Zanes stinging backhand. Smack. You are mine! Smack. Mine to play with! Smack. Mine to mark! This story can be read as a standalone.
