

Originally published in 1847, this classic book offers a wealth of information on the subject of millinery. There are thirteen chapters on a wide variety of hats and design techniques, plus an added essay on the making of corsets. This fascinating work is thoroughly recommended for inclusion on the bookshelf of anyone with a interest in millinery. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.

Molly and Mason Early Easy Readers Set 7 Books 31-35 (Volume 7), ISO 5175:1987, Equipment used in gas welding, cutting and allied processes - Safety devices for fuel gases and oxygen or compressed air - General specifications, requirements and tests, Seven Keys to Baldpate, Navy History and Tradition [1782-1817] (1958), BB Books 1.01 Wan jomage (Dholuo), The Dynamic Body Tissues: An account of the chalone mechanisms and other influences that control the epidermis and the various body tissues, and of the failure of these mechanisms in cancer,
