

Snake has a tender belly. When he sees Horse galloping by, he decides his solution is to become a horse. This idea sends him on a quest of difficulty and a surprising new friendship as Horse teaches Snake how to become like him. Snake accepts every challenge and funny mishaps occur as he strives to reach his goal. While many childrens books follow the theme Be Content With Who You Are, the Wantstobe collection focuses on how Accomplishing Hard Things Is Worth It. Using imaginative metaphor, this book reveals the changes that occur when tough obstacles are overcome to reach a goal. But most children dont think about the metaphor, they just enjoy the story, make up their own impossible animals, and view hard work and goal setting more positively. This book is the first in the Wantstobe series. Although each book is unique in its main character, setting and obstacles, the pattern of goal setting, overcoming problems through sheer grit, and magical ending is paralleled in each book. The illustrations are in bright vivid color whether depicting animals in a jungle, a forest or a swamp. This book is fun as a read aloud to children ages 2-7 and self read for most children ages 7-10.

American Trade Unionism: Principles and Organization Strategy and tactics, Selected Writings, San Francisco nightlife guide, Diagnostic and Statistical Manual of Mental Disorders DSM-IV-TR (Text Revision) (Diagnostic & Statistical Manual of Mental Disorders (DSM Hardcover)), Dollar Collapse, Feynmans Thesis: A New Approach to Quantum Theory, Insects at Home. Being a Popular Account of Insects, Their Structure, Habits, and Transformations, iFiesta! (Spanish Edition), Lehrbuch Der Allgemeinen Arithmetik: Zum Gebrauche An Hoheren Lehranstalten Und Beim Selbststudium, Volume 1 (German Edition),
