

Three Came Home is the story of the adventures of a Confederate soldier, Sam Atkins, coming home through a devastated South, after the surrender at Durham Station, North Carolina. In a Southern Patriots barn, Sam meets an Alabamian, who, through a series of odd circumstances, fought with the North. While cleaning his pistol, it accidentally goes off and mortally wounds the Alabamian. Before he dies, he begs Sam to go to his home and tell his folks what happened to him.
